

CUSTOM GRATING  
**MANUFACTURING**  
*Born in Texas*

**DFW GRATING | INC**

*Building Relationships*  
**MADE OF STEEL**

Value delivery. It is our goal and our purpose. We've aligned our entire organization around one mission: to deliver value to others. And, our mission begins with you - our customer.

Located in the heart of Texas, DFW Grating exists to become the industry leader in the manufacture, fabrication, and supply of grating products by earning your business through prize-winning customer service at the best possible price. We proudly employ the best team in the grating business and we've empowered them to help you. Give us a buzz so we can learn how to help make you and your organization more successful.

Our values might be old fashioned, but they are the materials that will build relationships made of steel.

Ready,

The DFW Grating Team
